EZ Order Entry Gets Rave Reviews!

"As Deer Valley PTO reviewed our gift wrap fundraiser, one of the comments I heard the most was how wonderful EZ Order Entry was this year. Not only did it drastically reduce the number of tallying hours, it also brought in more orders."

K. Apel, Deer Valley Elementary

"What a fabulous year for Irmo Elementary! We are so happy to have had Innisbrook for our fundraising company! We were very pleased with our experience and the EZ Order Entry was AWESOME! It was so easy and saved so much time!"

K. Neville, Irmo Elementary

"I love Innisbrook and think EZ Order Entry is a great improvement. Entering orders was simple and straightforward. Also, it was a lot easier dealing with the money. Parents simply printed a voucher and paid the amount shown, which meant far fewer errors."

J. Merrill, Glendale Adventist
